

Town Center's Light Pole Banner Program

The Town Center would like to offer the opportunity for your business to expand its advertising exposure by placing a banner on one of the light poles.

Banner Spaces are currently available.

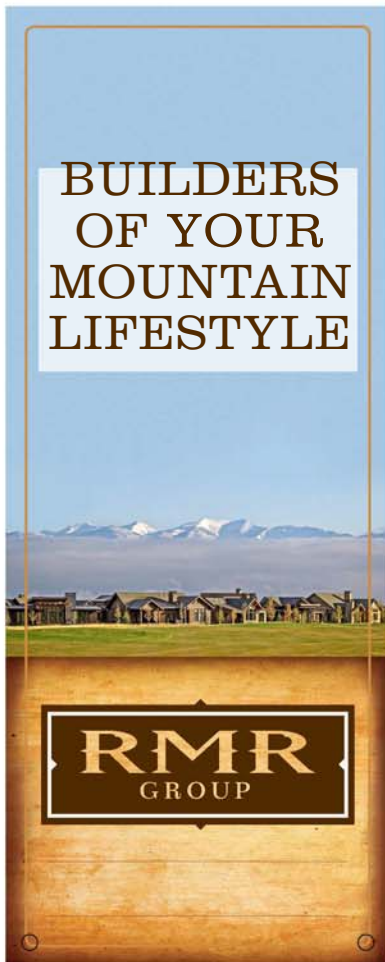

Town Center is currently able to offer up to two (2) banners per business. Please note, banner quantity is subject to change and may be reduced to one (1) banner per business as the number of businesses and demand for the program increases.

This program is free of charge, other than the cost of production and design.
