Business Listing Questionnaire

The BigSkyTownCenter.com website is a great marketing tool for your business. We work very hard to maintain the site to make sure it that it creates a lot of internet traffic, thus making your business more visible to locals and visitors.

As you may know, the biggest component of the site really focuses on you, our commercial members. The "Find A Store" section of the site profiles each business in the Town Center and helps send visitors directly to your website.

This short questionnaire will help us to set up your directory listing. Please answer all of the questions as completely as possible.

If you have any questions, please don't hesitate to contact Wendy Swenson at (406) 570-2417 or send an e-mail to towncenter@bresnan.net.

PHOTOGRAPHS: Listings that include photographs will receive much better exposure. Please provide us with up to 10 photographs to include with your business directory listing. Some topics to consider would be your storefront's exterior, happy shoppers/diners/employees, photos of your best-selling items and photos of your store's interior.

IDENTITY: Please attach a copy of your logo so that we can scan it. We would prefer a large copy of the logo on plain white paper if possible.

Send it by e-mail!

Our "tech-savvy" members, can send their photos and logo to towncenter@bresnan.net.

Be sure to include your business name so we can associate your materials with your online account!
